SIZING METHOD 1:

Choose a ring you already own that correctly fits the intended finger. Lay the ring over the circles below to identify the size. If the ring is between sizes we recommend choosing the larger of the two.

SIZING METHOD 2:

Print the ring sizer below and cut it out. wrap the paper snugly around the base of the intended finger with the numbers facing outward. Insert the pointed end through the slit. Note the number size that aligns with the slit. If between sizes we recommend choosing the larger of the two.
